Minibrot (Chapte	id principles id principles of Aktion Minibrot mentioned in the guidelines of Aktion r 2) on the left side of the table separately. ach question. It will help the decision team to understand the fulfillment.
Aid principle	Questions that explain by which means you fulfill this aid principle.
Partnership- based cooperation: "Projects are developed and devised by young people working together as partners. The entire project team is responsible, among other things, for the financial administration of the project. During the development of the project, partners are supported by the KLJB at the Archdioceses of Paderborn. The KLJB follows a transparent and consistent decision-making process for the project application." (copied from our guidelines compare chapter	How will you ensure to fullfill the aid principle of partnership based cooperation during all interventions included in the project. Explain in detail, please.

Á	
Æ	In case you plan to collaborate with any institutions/organizations: 1. Please mention the Institutions and organizations.
	2. What contributions will each of them make to the project?

Improvement of	Direct beneficiaries:
the situation of	Please give details about the participants you plan to involve.
<u>children,</u>	Please fill in the following information:
adolescents and	
young adults:	Total number of direct beneficiaries:

compare chapter	
2)	
	To what extend will your project contribute to the improvement of
	the situation for children, adolescents and young adults?

Sustainability:	Social sustainability
"The project should be suitable for the promotion of sustainable development. This involves three key elements: The project should place <i>equal</i> emphasis on an ecological, social and economic balance. The project may serve to satisfy the needs of the current generation only insofar as the needs of the next generation are not negatively affected. As a rule, projects are funded on a non- recurrent basis. It is desirable that the project will be	How will you make sure that all people who will be involved in implementing the project feel responsible for the project permanently ?

continued after	How do you make sure that the acquired knowledge/experience will
funding has ended. In particular, assets and materials specially purchased for a particular project should continue to be used for the objective of the project beyond completion thereof." (copied from our guidelines	be passed on and spread during the project and even after? How will you make sure that the expected project achievements remain sustainable after completion of the project?
compare chapter 2)	
	How do you make sure that what will be purchased will be used for the common good?

If the intention of the project is to produce goods: 1. Please list the goods.
2. How does the market for selling look like?3. How do you estimate the demand to evolve in the future?
Ecological sustainability <u>How do you make sure tha</u> t your project implementation and the outcomes are in harmony with the preservation of natural resources (integrity of creation)?

Empowerment and education : "The project design should ensure that the target group of the project receives encouragement and motivation. The aim of the projects is to help place the project target group in a	 Professional and practical skills 1. Please describe the interventions that will be done to fullfill the aid principle of empowerment and education. 2. Please describe the skills the beneficiaries will gain in detail (e.g. bee-keeping methods, to draft a calculation,) and mention how.
target group in a position where the members of the group can improve their lives and social living conditions. Encouragement of educational activities plays a particularly important part in this." (copied from our guide- lines compare chapter 2)	Social competences <u>Please mention the specific</u> 1. social competences (e.g. communication, motivation, solidarity) and 2. soft skills (emphathy, team work, problem solving abilities,) the beneficiaries will gain and mention how.

In general
In general 1. How will the project contribute to empower the young people in their rural communities? Please explain.

Development in rural areas: "The KLJB is a youth organisation active predominantly in rural areas; its aim is to strengthen the rural living space through its projects. Therefore, the KLJB only supports projects whose centre of attention is the countryside." (copied from our guidelines compare chapter 2)	Please explain which positive effect the project will focus on and explain how exactely the improvement of the living conditions in your particular rural area will look like? (e.g. community life, infrastructure, perspectives for rural youth,)
	How do you communicate about your project to the public in your village or region?

Equal rights for women and men, volunteers and full-time	In case of receving funds from action minibrot you are requested to hand in a completed participant list for each and every activity. Make sure to complete the list while implementing the activity. Please download the formular Participant List here: https://www.kljb-paderborn.de/internationales/aktion-minibrot

6. Project description		
6.1 Aid focal points (one of these has to be fulfilled – for further description have a look at our guidelines!)		
work with children and/or youth and/or adolescents	yes	no
Vocational training	yes	no
Ecology and maintenance of creation	yes	no
Development in rural areas	yes	no
6.2 Main aims		
Make <u>a short enumeration</u> of the main aims of your proposal right here:		
1.		
2.		
3.		
4.		
5.		
Now, let it be followed by a detailed description of your main aims:		
(focus of the project with a clear reference to one of the above mentioned aid focal points)		
1. Please describe the target group in detail (Age, gender, where do they come from exactely?)		
2. How will the beneficiaries/participants be chosen? Who will chose them?		

6.3 Action Plan

(give detailed description to the following points that affect your project

Formular 6.3

You are pleased to give detailed information about your project schedule. This information is supposed to include each activity that will be part of the project. To receive all neccessary information at once you are requested to fill in form 6.3 Project Activity Plan which you received with this document. Please make sure to add the form 6.3 when sending all information.

Required Tools and their use:

Qualifications of project manager, facilitators etc. Please add certificates of qualification to the proposal

Details of the owner of existing infrastructure:

How will you evaluate your project? (This question HAS to be answered)

6.4 Financial Plan

Please fill in the tables below. If you need extra space or you like to work with excel please download the table here (<u>www.minibrot.com</u>).

Project Budget

Position (fill in/list below)	No of units	unit costs in local currency	total costs in local currency	invoices attached** (please mark with a cross if yes or no)
